

EXEMPLAR PROJECT NEWSLETTER 2

WHAT HAS BEEN DONE?

After the implementation of the First Partner Meeting in September 2018 in Ireland, JKPeV, SEAL Cyprus, Auxilium and INNEO developed the value proposition of the 8 modules of **IO1: Integration Leaders Curriculum**.

The agreed learning outcomes as well as the skills, knowledge and attitudes for each module were outlined in The Value Proposition. Every module was designed to comprise of 2 learning units.

The content of Curriculum is closely related to local cultural and societal values of each partner country and in the near future will be delivered in a blended learning format (face-to-face learning, self-directed learning, workshop and on-line study).

What concerns **IO2: Toolbox of Integration Resources**, the partners created 12 resources that use inquiry-based and problem-based learning approaches that can accommodate multiple learning styles.

Rural Hub and INNEO each began developing the contents for 6 integration resources and will produce each resource in an appropriate media-rich format that harness the latest technologies, is engaging, fun to use and

MIGRANT INTEGRATION

Settling In 2018: Indicators of Immigrant Integration finds that many countries in Europe have made important improvements in integrating migrants and their day-to-day life into their new countries. However, many challenges remain and the potential that migrants bring with them remains unused.

“We need to make sure that all those who have a right to stay and live in our societies, become equal citizens. Not only on paper but also in reality,” said European Commissioner for Migration, Home Affairs and Citizenship, Dimitris Avramopoulos.

2nd TRANSNATIONAL PARTNER MEETING IN AUSTRIA

MEETING IN GRAZ, AUSTRIA

Members of the EXEMPLAR PROJECT met for the second Transnational Partner Meeting on 7th – 8th of February 2019 in Graz, Austria.

THE HOSTING PARTNER

Auxilium pro Regionibus Europae in Rebus Culturalibus - is a non-profit Association to Promote Education and Culture in a Europe of the Regions based in Graz, Austria.

The main fields of activity of the association are concepts and materials development, training, networking, consulting and implementation of EU-projects.

The first day of the meeting began with a short review of the project – intellectual outputs, objectives, schedule and methodology.

The partners discussed the development of 8 modules of the IO1: Integration Leaders Curriculum. The focus was laid on tailoring the content to suit their local cultural and societal values.

The partners also discussed the proposed content for the 12 civic and social competence areas and the media formats that will be used to present the individual tools of the IO2: Toolbox of Integration Resources.

Additionally, all partners discussed briefly IO3: In-service Training Programme and IO4: Online Learning Environment.

On the second day of the meeting the partners discussed the dissemination activities, administration, management and technical issues of the project.

The meeting was very productive with valuable discussions that were a great contribution to the successful development of the next project tasks.

INTELLECTUAL OUTPUTS IN EXEMPLAR

IO1: INTEGRATION LEADERS CURRICULUM

The Integration Leaders Curriculum will be developed as a modular training programme comprising of 8 modules with 2 learning units in each module, adapted to local cultural and social values. The purpose of the modules is to help learners to build the necessary skills to support their work as integration leaders, self-confidence and self-worth.

IO2: TOOLBOX OF INTEGRATION RESOURCES

EXEMPLAR will provide a suite of practice resources developed in 12 civic and social competence areas. The resources will have a considerable impact as adult and community educators and migrant support workers will be able to access required resources in one digital toolbox.

IO3: IN-SERVICE TRAINING PROGRAMME

The in-service Training Curriculum will challenge educators' demand for education and training through working on-line and alternative learning environments. It will take a form of the In-service Course that will comprise 40 hours of training, including classroom and self-directed learning.

IO4: ONLINE LEARNING ENVIRONMENT

EXEMPLAR will offer an e-learning portal that will be an online hosted environment running on a web server and provide access to the digital toolbox of integration resources to support the development of civic and social competence.

COMING NEXT...

During the coming months, our work on the project will continue. We planned to meet again on 2nd – 3rd of September in Prague, Czech Republic in order to discuss the next steps of the project.
