3rd TRANSNATIONAL PROJECT MEETING IN SPAIN

MEETING IN SEVILLE, SPAIN

The third meeting of the “PAST-TIMES” project took place in Seville, Spain on 7th of November 2019. The meeting was hosted by The University of Seville.

The Aim of this meeting was to allow partners the opportunity to review the development work that had been completed in the first year of the project, to plan for the production of all education materials and to arrange the local piloting of PAST-TIMES in each partner country. As such, a large part of the meeting was dedicated to discussion on the resources developed by the PAST-TIMES partnership in previous months and also to what action is needed to further improve the quality, effectiveness and impact of development co-operation.

Following on from this, partners set the implementation dates for the next transnational meeting in Brussels, the duration and the exact content of the planned Transnational Training Event in Germany. The meeting was conducted in a friendly atmosphere, with clear divisions of upcoming tasks that lie ahead.
