September, 2019

### WELCOME TO THE THIRD NEWSLETTER OF THE “UNWIND” PROJECT!

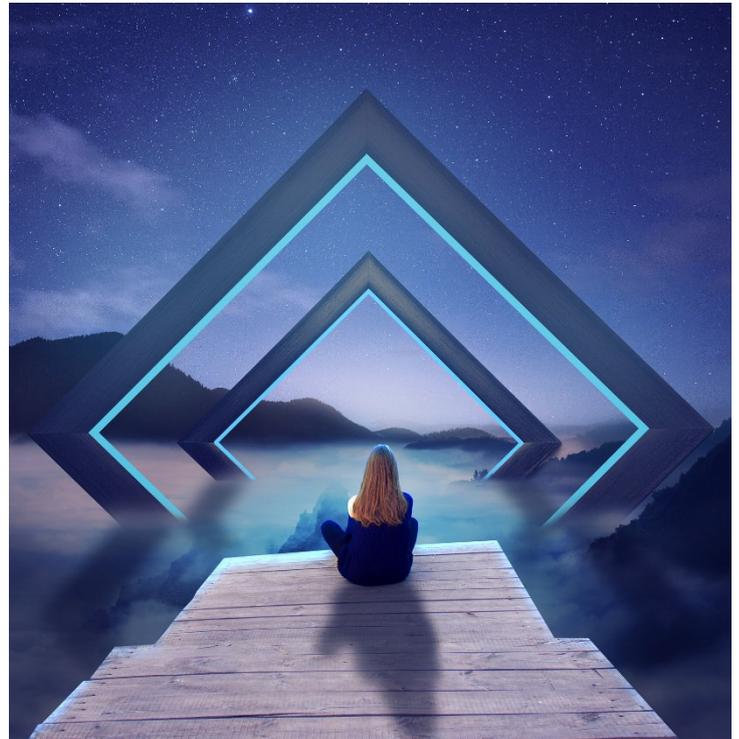

This time we will tell you more about:

- Our latest achievements and current activities regarding the UNWIND Project
- The Multiplier Events
- The third Transnational Partner Meeting

### WHAT HAVE WE RECENTLY ARCHIVED?

After the Second Transnational Partner Meeting in Cyprus, partnership worked hard to produce a suite of career management resources in English for the First Intellectual Output of the project, a suite of bespoke mini-learning format for the Second IO, and a suit of self-help resources in media-rich formats for the Third IO. Also, online learning portal with full partner language is ready for use.

UNWIND is now entering an important phase when all the learning resources are going to be finalized and translated. For this reason, partners made significant effort to ensure that everyone is familiar with their tasks and responsibilities.
